[RUSH] Message:

Per query response, adding "by the method according to independent claim 33, by the methods according to claim 36 and 38, and by the pharmaceutical compistion according to claim 40". There are only 10 total claims in file. Pls. Correct.

Thank You.

[XRUSH] Response:

In light of that claims 1, 2, 14, 17-19, 28, 36 and 38 have been canceled, the recitation "This objective is ... claims 36, 38 and 40" at page 8, lines 16-23 of instant specification should changed to "This objective is solved according to invention by the pharmaceutical composition according to claims 3 and 4 (previous claims 39 and 40)which comprises one or more isolated cysteine containing peptide according to claim 1(previous claim 3). The issue classification now include claim 45.
